

CANADIAN UNDERWATER CONFERENCE & EXHIBITION 2026

KIRBY MORGAN SERVICE TECHNICIAN

with APEKS / AQUALUNG 1st STAGE (BAILOUT) REGULATORS

- Course Title:** Kirby Morgan Service Technician
packaged with Apeks/Aqualung 1st Stage (Bailout) Regulators
- Duration:** 3 days. *NOTE: You must attend all 3 days in order to be certified as a technician.*
- Dates:** Wednesday 25th, Thursday 26th, and Friday 27th March 2026
- Daily Timings:** 0830-1700 Wed & Thur, 0800-1630 Fri
- Location:** Macdonald Room, Holiday Inn Toronto International Airport
- Equipment Covered:** All current KM Helmets, Band Masks, and Regulators EXCEPT KM Diamond
All Apeks, and selected Aqualung, 1st Stage (i.e. Bailout) Regulators
- Notes for Attendees:**
- You must attend all 3 days in order to achieve certification.
 - Each attendee must bring a KM Helmet, plus tools, and overhaul kit (if required - see below).
 - **Please advise the instructor (using email below) of the helmet model that you will be bringing.**
 - Bringing an Apeks or Aqualung 1st Stage Regulator will be helpful but not essential.
 - **Helmet Overhaul.** Training is largely hands-on and your equipment may be overhauled during the class.
NOTE: If you intend to overhaul a helmet during the class – you must bring the appropriate soft goods overhaul kit with you. Please order in advance – kits will NOT be available at the class.
- KM Soft Goods Overhaul Kits may be purchased from AXSUB. Please contact sales@axsub.com**
- Certification Validity:** Kirby Morgan certification valid 3 years for initial training, 4 years for recertification*.
**NOTE: KM requires that recertification occurs before your existing certificate expires.*
Apeks/Aqualung certification valid 5 years.
- Training Instructor:** Jonathan Chapple - authorized Kirby Morgan and Apeks/Aqualung training instructor.
Email: jonathan.chapple@axsub.com
- What is included?** Electronic documents/presentations (please bring a USB flash drive for download).
Factory-authorized instruction and certificate fees.
Coffee breaks.
- Cost & Registration:** Cost is \$1575 plus HST per person for the full 3-day course.
Registration is on a first come-first served basis.
Please register for the class through the CUCE website:
