

## **Military & Professional**

**Aqua Lung Canada Limited**

### **CANADIAN UNDERWATER CONFERENCE & EXHIBITION 2020**

#### **KIRBY MORGAN HELMET TECHNICIAN CLASS**

**Course Title:** Kirby Morgan Helmet & Band Mask Technician.

**Duration:** 2 days. NOTE: You must attend both days.

**Dates:** Friday 24 April and Saturday 25 April 2020.

**Daily Timings:** 0830-1800 each day. These are long days – please plan accordingly!

**Location:** Delta St. John's Hotel & Conference Centre,  
120 New Gower Street, St. John's, NL A1C 6K4

**Max Attendees:** 16

**Equipment Covered:** Helmets - SL17B/K, SL27, KM37, KM37SS, KM97  
Band Masks - KMB-18/28

Important Note: The following equipment is **NOT** covered in this class: KM77, EXO 26

**Notes for Attendees:**

- Each attendee must bring a helmet (or arrange to share 1 between 2 attendees), plus tools and overhaul kits (see below).
- The training is largely practical so equipment may be overhauled during the class. If you intend to overhaul a helmet during the class you must bring the appropriate KM soft goods overhaul kit with you.

**Certification:** Manufacturer certification valid 3 years initial training, valid 4 years for recertification.

Note: If you are recertifying please bring your certificate to the class.

**Training Provider:** Aqua Lung Canada (AQC) – authorized KM training provider for Canada.

Instructor: Jonathan Chapple, Aqua Lung Canada

**Fee:** \$850 plus tax per person.

**What is included in the fee?**

- Training documentation (please bring a USB flash drive with you for download of documents).
- Manufacturer certification fee.
- All instructor travel costs.
- There are no extra charges.

**Registration:** Registration is on a first come-first served basis. Please register for the class through the Canadian Underwater Conference website:
